### **Election**

Applicant hereby elects **Group III**, represented by claim 3, for examination in the instant application, without traverse. By way of the present amendment, claims 4-6, 15, and 54-55 depend directly or indirectly from elected claim 3, and newly-added claims 58-65 also depend directly or indirectly from elected claim 3. Claims 3, 4-6, 15, 54-55, and 58-65 read on Group III.

### **Status of and Amendments to the Claims**

Claims 4-6, 15, and 54 are amended herein to depend from claim 3. Support for these amendments are found, for example, at least in the claims as originally filed in International Application No. PCT/DK2005/000070, of which the instant application is a US National Stage filing under 35 USC §371. New claims 58-65 find support, for example, in claims 7-14 (respectively) as originally filed in International Application No. PCT/DK2005/000070. Accordingly, the claim amendments and the new claims add no new matter to the application. Claims 3, 4-6, 15, 54-55, and 58-65 are pending.

Group I claim 1, Group II claim 2, Group IV claims 16-19, Group V claims 28-30, Group VI claims 37-38, 40 (as noted above), and 42-43, Group VII claims 44 and 47-48, Group VIII claims 51-53, and Group IX claim 57 are canceled herein without prejudice to filing in one or more continuation and/or divisional applications. Please note that Applicants reserve the right to file subsequent applications claiming any canceled subject matter, and that the claim amendments and cancellations should not be construed as abandonment of any claimed subject matter.
